ABOUT NEW ZEALAND

New Zealand is a land of open spaces, fresh air, stunning scenery and friendly people. Our education standards are world class and attract many international students to our shores. Our students enjoy visiting tourist destinations like Rotorua, Waitomo, the Bay of Islands and the many fantastic natural wonders of the South Island during term vacations. There are also opportunities for skiing and a wide range of water sports whilst on holiday.

WE OFFER

An outstanding New Zealand education catering for students aged from 11-18.

Highly professional qualified teachers.

A British based education system.

Excellent teaching facilities incorporating the latest in teaching resources.

An easy safe place to live in a warm and welcoming environment.

Accommodation with New Zealand families in superior well appointed homes.

OUR LOCATION

We are situated in the relaxed beachside town of Orewa, just 30 minutes drive north of Auckland, home to 1 million people. New Zealanders are spontaneous, easy going people and it is possible to make friends quickly in our multi-racial friendly society.

We are surrounded by some of the most spectacular scenery in the world; beaches, rolling green countryside and forests. There are plenty of activities to choose from, including: a wide range of water sports, thermal pools, horse riding, and the advantages of the proximity to New Zealand's largest city.

STUDY WITH US

- Orewa is a friendly community, not a large city where you are just another student.
- Come to Orewa College to gain world class qualifications for tertiary studies
- Learn English at school
- Orewa College is a leading provider of Education to International Students

Full Range of courses: see www.orewa.school.nz

ESOL/IELTS examination preparation

Many sports, drama and musical activities

Beautiful grounds in riverside setting adjacent to the beach

- We offer a Summer School Programme in December and January which combines English language classes with outdoor activities. These are available for all age groups.
